

JOIN THE ALL STARS PROJECT SUMMER INTERNSHIP PROGRAM

In the **Development School for Youth (DSY)**, young people experience the business world through a series of rigorous, high-level workshops and trainings and learn to perform as professionals.

Program graduates are then placed in paid summer internships where they continue to develop their leadership and professional skills and connect to the world of success.

DSY is a core program of the national All Stars Project. The All Stars Project's mission is to transform the lives of youth and poor communities using the developmental power of performance in partnership with caring adults.

"I have come to the realization that the All Stars offers a unique value proposition that is of HIGH urgency, and one that I've chosen to get more involved in... I think there is a limit to the societal impact associated with taking the top 10% of young people and making them 10% more successful in life... **If there's a way to reach the other 90% and make them 10% more successful, the payoff will be greater...** That's where the All Stars diverges from the mainstream approach... and it's proven that it works..."

— Chuck Chaplin, President and Chief Financial Officer, MBIA, Inc.

ENDORSEMENTS

“It has really been a great privilege to be an All Stars contributor and supporter since 2006. Ernst & Young is very committed to supporting and partnering with the All Stars to open up new pathways for opportunity for young people growing up in communities where they don’t have as many opportunities. As a firm, we really believe in giving back, and we get so much from participating in and building the All Stars programs and developing young people. I am proud that we have sponsored over 130 interns from the Development School for Youth.”

— **KATE BARTON**

Americas Vice Chair,
Tax Services, Ernst & Young

“The All Stars Project helps young men and women develop the self-confidence and skills to achieve success... Our corporate mission is to make a difference in the communities we serve. And, by supporting this great organization, Investors Bank and our charitable foundation are assisting young people to reach their goals.”

— **KEVIN CUMMINGS**

President & CEO, Investors Bank

“There are causes that motivate me, that keep me excited about being a judge, and about being a human being. The [Development School for Youth] is one of those programs... As I am growing older, and as I hope to continue making contributions to developing my society, I realize that it’s meaningless unless the generation that follows me picks up the battle and continues it. And the battle is... to be better citizens, to be better family members, to be better friends, community members, and to give back to our society and make it better for everyone. This program I believe does that.”

— **SONIA SOTOMAYOR**

Associate Justice
Supreme Court of the United States

“...of all the projects that I have examined throughout this country, and believe me I’ve examined many, none, I repeat, none has better demonstrable results.”

THE SUPERVISOR DEVELOPMENT PROGRAM

The DSY Supervisor Development Program is designed to help new and returning DSY internship supervisors see and bridge the cultural gaps between inner-city youth and corporate America and establish a supervisory relationship that supports the young person's continued development.

The program ensures success and provides a high level of support for intern supervisors. It is held in May and June at the headquarters of the All Stars Project.
